Palisades Tahoe is the new name for recently combined Squaw Valley and Alpine Meadows. Both mountains are now connected by a new Base to Base Area Gondola. The result is the third largest ski area in North America. Also new is the Red Dog high speed 6-pack lift replacing a triple chair.

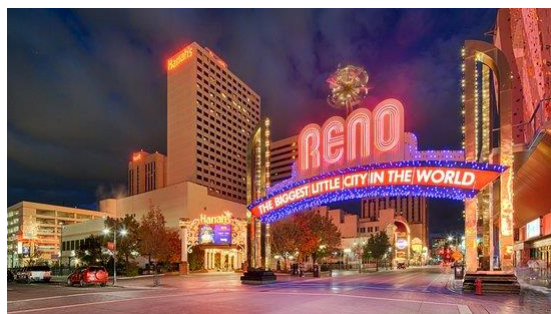

The Village at Palisades Tahoe condos are close to both the slopes and the social activity of the resort village area. Condos have full kitchens, living room, 2 bedrooms and private bathroom. Outdoor hot tubs!
