

Hey Skiers & Riders,

Metroland is happy to announce our return to Meribel in the center of the Three Valleys, France. This will be our third time as everything has gone so well. Its spring skiing at its finest in a very nice ski in ski out resort hotel. The trip includes 9 days & 8 nights, 7 nights in Meribel and one in Geneva. We'll stop in Annecy, The Venice of France on our way home then continue onto Geneva.

The price is \$3472 which includes air, transportation to and from the hotel, breakfast daily & five nights dinner giving us 2 nights out to explore the local restaurants in Meribel. This trip is open to all friends and family.

We'll will ski and ride Meribel, Courchevel and Val Thorens, the largest ski resort in the world March 12 - 21, 2027. This is a snow sure resort and we are staying in the center of it all, Meribel Mottaret. We are one lift ride away from Courchevel and just 2 lifts from Val Thorens. This is an EPIC destination but you don't need a pass to ski the massive 375 miles of runs as lift tickets are reasonable in Europe.

The hotel has a really good restaurant with live music in the lobby bar and dining room. There are indoor & outdoor jacuzzis, a pool, sauna, steam room, free around the clock doughnuts, snacks & a gym to burn off those late night calories. The on mountain adventures are endless and if you get lost you can always find a Folie Duece !
