Hey Skiers & Riders,

Metroland is excited to announce our first trip to Davos Klosters Switzerland. This is a nine-day, eight-night trip Feb 26 – March 7. Davos is a huge ski resort with 200 miles of trails over five mountains. We'll be staying seven-nights at the Hotel Seehof, a five star, ski in ski out resort 50 yards from the Parsenn lift. The hotel couldn't be any nicer located in the center of Davos Dorf. The trip includes 7 nights at the fabulous Hotel Seehof, welcome reception, breakfast daily and four nights dinner giving us three nights out to explore the town. We'll also spend a day and night in Zurich at the Radisson Blu allowing us to explore that wonderful city.

There is lots to do and see in Davos for non skiers too. The bustling city has everything including several nice museums, restaurants and a professional hockey team that plays in a modern wooden arena. There is sledging, snowshoeing, ice skating and gondola rides all close to our hotel. The nearby train will whisk you away through the beautiful valley to Klosters and beyond. You should take the train even if its just for a short ride to one of the nearby towns to sightsee or just for lunch. The train is unforgettable.

The cost is \$3797 with air or subtract \$1,100pp for the flight making land only \$2697. You may want to get your own air or use your frequent flier points. We will fly out of JFK on LX15 Friday night Feb 26 from JFK non stop to Zurich at 9:00pm arriving at 10:45am. Our return flight is also non stop on LX16 Sunday morning March 7 at 9:50am arriving JFK at 1:06pm.
